

**The great shake up or the last show down** of two kingdoms colliding is fast approaching. The collision is between the kingdom of the Anti-Christ and the kingdom of God. There is unrest world-wide and we are watching this unprecedented era of conflict between cultures, politics, armies, ideologies, and within nature itself.

1. Hebrews 12:25-26 the shaking
2. Hebrews 12:28-29 we are receiving a kingdom

Judson Cornwall said, "Worship is a **God-given urge** we do not produce – nor can we deny it."

1. We do not initiate worship, we respond to it.
2. We need to be mindful that no one form of worship is the correct way.
3. Let us not become argumentative using words like: your worship is too outdated, too formal, not artistic enough, etc.
4. It is not **how** but **whom** we worship.

**Idolatry is worship** not wholly directed to God. So called "worship services" can become times of idol worship noticing how and what was taking place with no mind of the one we should be worshipping.

1. John 4:23 "But the hour is coming, and now is, when the true worshipers will worship the Father in spirit and truth; for the Father is seeking such to worship Him."
2. The world is filled with worshipers; even the Anti-Christ seeks worshipers. Rev. 13:11-18
3. True worship is a love response to God.

### **These are times that try men's soul**

1. The whole of human experience is being shaken from governments to social distractions, to the earth & stars. Matthew 24
2. Christians today are lulled by the inappropriate understanding of **grace**.
3. Islam is spreading John 16:2
4. Anti-Christ spirit and anti-Semitic spirit is rising.

### **Worship determines outcome.**
