

Worship is what we were designed to do so it is who we are - "worshippers."

1. What we worship grows in power and presences.
2. We are expecting a visitation of God's grace through worship – wherever we are.
3. God's word is a manual for worship. The Holy Spirit wants to help us glorify Christ. We are being directed to approach God's throne: there is the source of Power – Father.

Why is there such an urgency in our spiritual senses for worship today – why now? Because Christ is about to make an entrance!

5. 2 Corinthians 10:3-5
"Worship brings ever deepening and expanding dimensions of God-at-work in our world. Worship, in a very real sense of the word, opens a doorway to the power of his presence, confounding dark powers and overthrowing sin's destructive operations. In Paul's words of expressed spiritual warfare, worship and praise exalt God and cast down those facts and forces that seek to exalt themselves above Him. Essentially, it is God's presence- the raw dynamic of His Being and Person stepping into a setting- that gives place to His transforming, redeeming, delivering power." Jack Hayford
