

## YEAR OF AWAKENING

A prophecy given to Susi B. that rang true in my spirit is as follows.

### ***Year of Awakening – 2020***

*I woke up at 5am and heard, “This is the year of awakening.” I wondered, “This year?” The answer, “2020.”*

*For the next hour, many thoughts went through my head. Judgment begins at the house of the Lord. God will hold each one of us responsible, especially this year, for how we respond to His call. Every born-again child of God, no matter what age, has been given at least one gift to use for His purposes. Many have more than one. There may be a dominant gift, like healing, but others will come and go as the needs arise.*

*Unfortunately, many believers do not know that they have a gift or have not asked God to reveal it to them. But He still will hold us responsible for it. Are we going to stay seated or stand up and be counted? Because either way we will be called to task for our actions or lack thereof.*

*God wants us to prepare for the great explosion of revival and harvest that is coming. Each one of us needed. The kingdom of darkness is becoming increasingly evident and we must be prepared to attack every aspect of the work of evil.*
